

# COM232 with Dr Yeoh

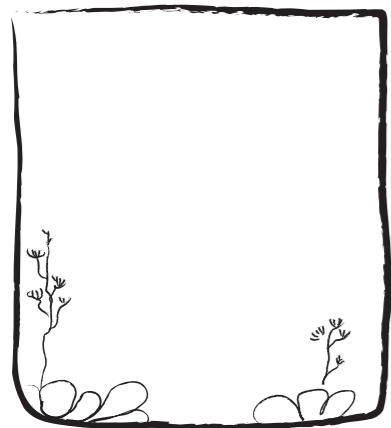

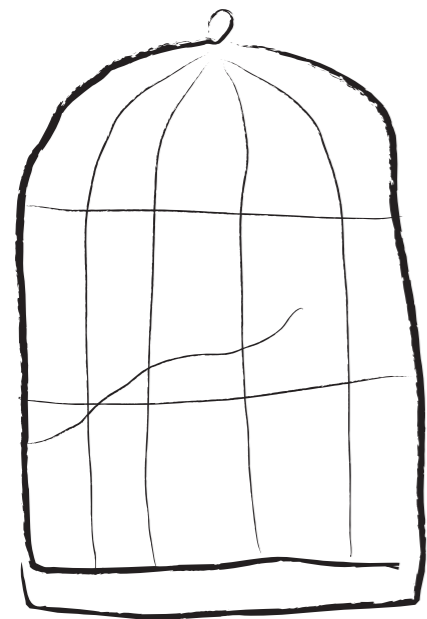

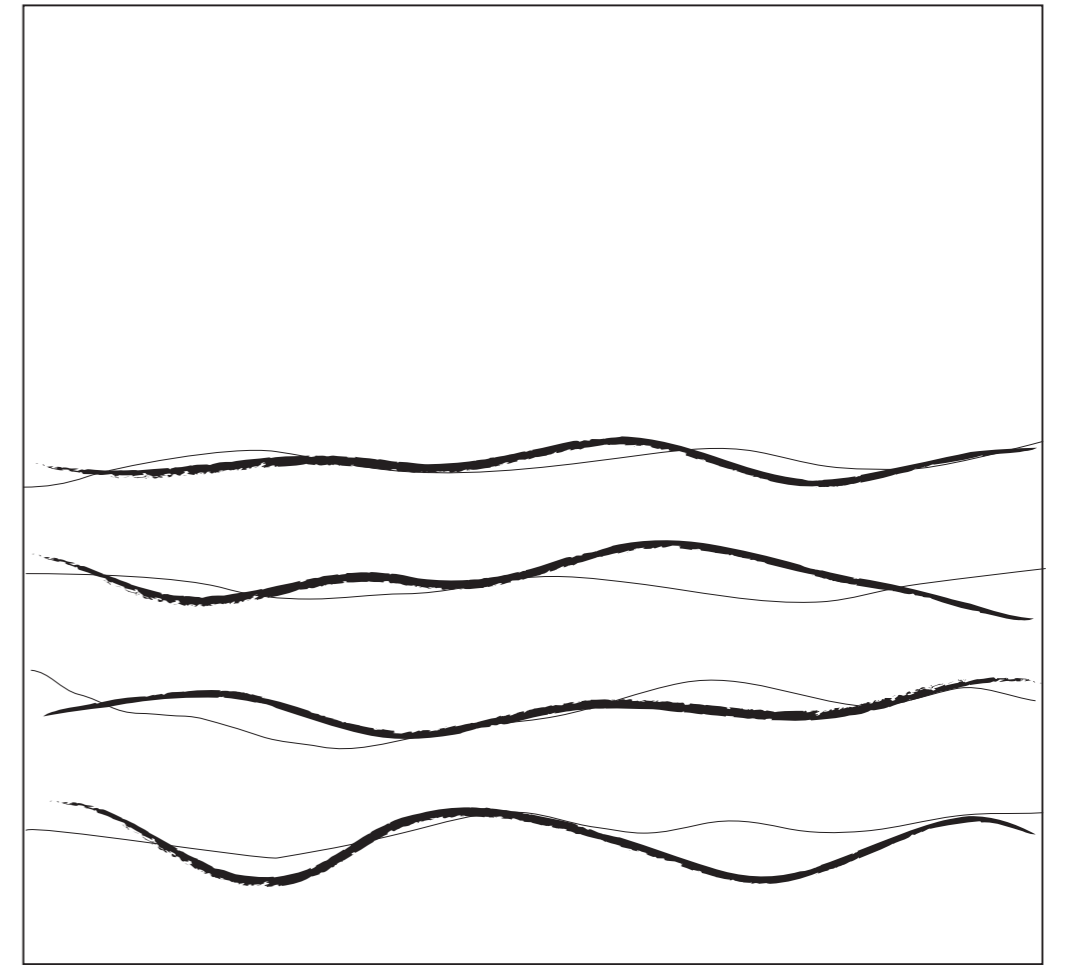

Worksheet for for Semester 1

Academic year 2010 - 2011 (Aug 30 - Dec 23)

Name:

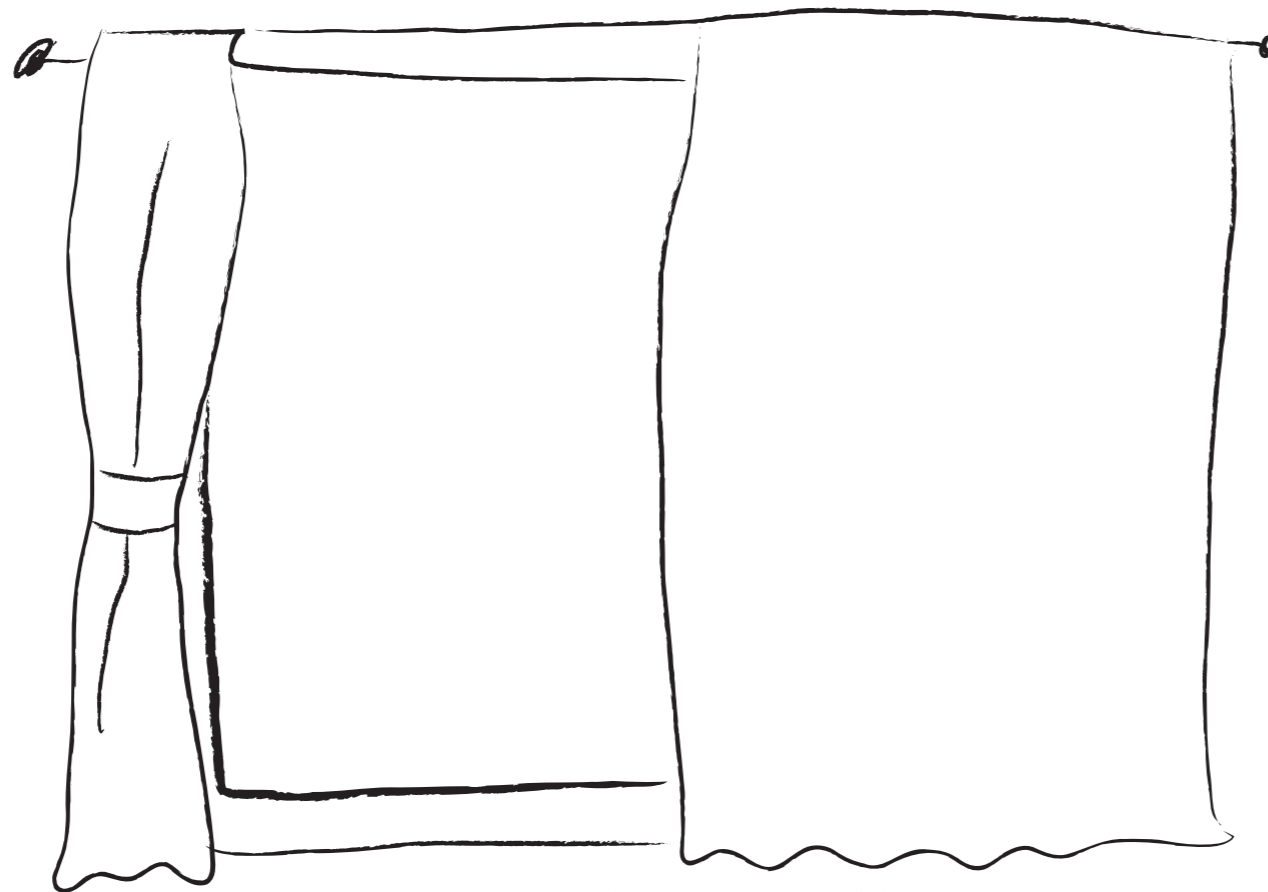

Tapping into a childlike vision of the world can add a whimsical level to your visual vocabulary. Inspired by *Scribbles: A Really Giant Drawing and Coloring Book* by Taro Gomi (2-02-061396-4), we will revisit our childhood in search of innocence and playfully abstract forms of expression.

With a large crayon or color pencil in hand and a playful attitude in mind, fill the gaps and spaces in these selected subjects in a childlike way.

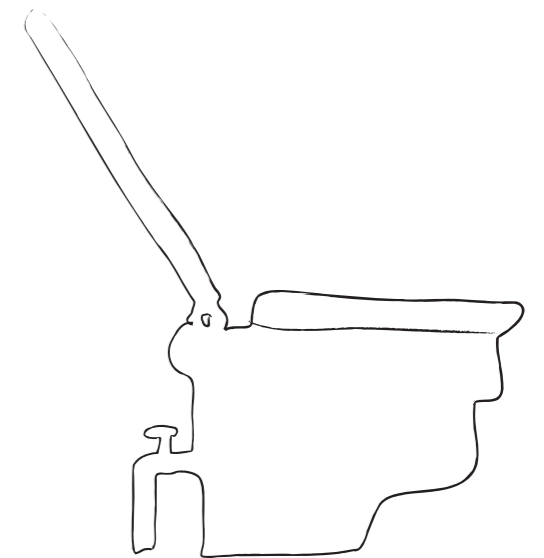

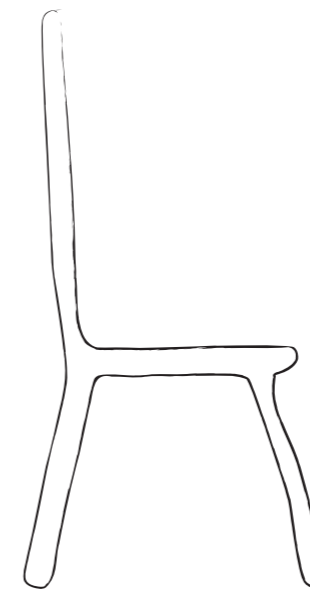

What's inside?

These people need clothes

What is happening outside?

This is the sea. Draw some boats

Draw people sitting down
